

## Maintaining Healthy Air in Offices

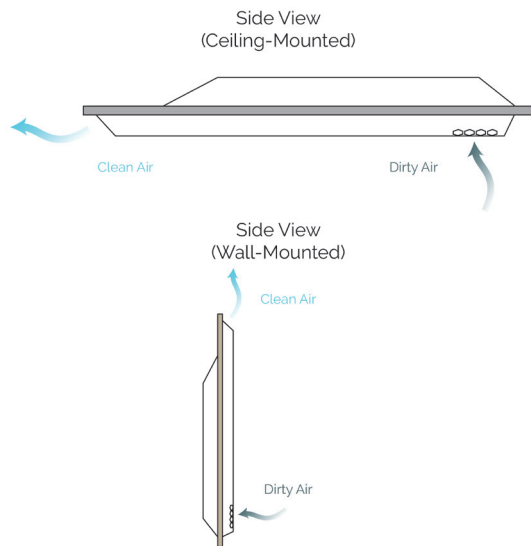

### SANUVAIR® S100

#### Air Purification Unit

Ideal for offices, cafeterias, doctor's offices, dentist's offices, waiting rooms, schools, daycares, hotels and elevators, the Sanuvair® S100 is a stand-alone and compact unit designed for the disinfection of airborne contaminants. This unit is designed for up to 500 sq.ft. and can be installed in a drop down ceiling or mounted on a wall.

The unit pulls air into an aluminum chamber across a 'J' shaped UV lamp for air disinfection.

The Sanuvair® S100 is CARB certified.
