

SANUVOX

PRESS RELEASE
FOR IMMEDIATE RELEASE

SANUVOX Technologies is pleased to announce the appointment of its new President, Mr. Louis Garceau

Montreal, Quebec, Canada — May 26, 2022 — SANUVOX Technologies Inc. is proud to announce today the appointment of Louis Garceau as President, effective May 26, 2022. This appointment stems from the previously announced leadership change of Mr. Jocelyn Dame, who steps down as Chairman of SANUVOX on May 26, 2022, but will remain a shareholder in the company. He will continue to develop the international customer network and facilitate customer communications.

Prior to joining SANUVOX, Mr. Garceau was Vice President, Sales Strategies at GardaWorld, as well as for two business units: Talent World and Garda Security System. Before this, he spent several years building companies and developing innovative business development concepts. He is a passionate and experienced business leader.

Louis Garceau

With over 35 years of experience in operations management, strategy development, project execution and sales network development, Mr. Garceau will be able to use his experience to drive SANUVOX's growth and profitability. He has a proven track record as a seasoned and high-performing executive with an excellent reputation in various industries.

“We are delighted to have Louis join SANUVOX as President and are confident that SANUVOX has the right team to lead the company into the next stage of growth. Louis is the ideal person to breathe new life into the development of SANUVOX in order to enable it to have sustained progress over the next few years.”

— François Morier, chairman of the Board of Directors of SANUVOX

About SANUVOX

SANUVOX Technologies is a world leader in the disinfection of air and surfaces by ultraviolet radiation. The company is proud to contribute to the well-being of its customers and to improve the quality of indoor air to promote a better and safer life in a constantly changing world.

Respect for its customers, suppliers and employees, teamwork, performance and innovation have been the strong values of its managers, shareholders and employees for more than 25 years.
